Disciplinary Hearings

Christine Brady, RN (Petition to Lift Suspension)

See attached hearing minutes.

Review and Consideration of Hearing Officer Recommendations

Sandra Steggell, RN (Rule to Show Cause)

The Board considered the Hearing Officer recommendations for Sandra Steggell. Ms. Steggell submitted the verification of nursing employment form as well as a certificate of completion for the Board's consideration. After a review of the verification of nursing employment form, the Board determined that Ms. Steggell did not obtain the required nursing practice hours. Additionally, it was determined that the certificate of completion Ms. Steggell submitted to satisfy the substance abuse CE requirement was not acceptable and Ms. Steggell would need to submit additional documentation such as an agenda or syllabus for consideration. Mr. Brown moved, seconded by Ms. Darling to accept the findings of fact and recommended discipline. The conclusions of law were amended to reflect that the care that was provided to her son was not nursing care and is not considered nursing practice. The motion carried unanimously.

Disciplinary Hearings

Amanda Frazer, LPN (Petition to Lift Suspension)

See attached hearing minutes.

Legislative Update

Discussion Regarding HB 352

The Board discussed HB 352, which would permit licensed child care providers, who successfully complete a State-approved medication training, to administer medication to children in their care, including by non-intravenous injection, if a child has a medical need during child care hours that would require it. Mr. Hare moved, seconded by Mr. Brown, to oppose HB 352. Motion unanimously carried.

Discussion Regarding Share the Care Act

The Board discussed the latest revisions to the Share the Care Act draft. Mr. Hare moved, seconded by Dr. Devereaux, to oppose the proposal as written because only personal assistance service agency's should be included in the language where nursing supervision is not involved. The motion carried unanimously.

PUBLIC COMMENT

Members of the public introduced themselves to the Board.

Mr. Alderson provided the Board with a historical reminder in regard to the proposed AARP bill from 2017, in which an amendment was submitted at the last minute which would have made nurses responsible for errors subsequently made by family members. DNA will be on alert for any last minute changes to the proposed legislation.

Ms. Carmody advised the Board that she previously served on the LLAM Committee and it was discovered that many caregivers were under the age of 18, which created great concern for the Committee at the time.

Dr. Zickafoose announced that Delaware Technical Community College's RN to BSN program had its initial site visit and the recommendation has gone forward for initial accreditation.

The RN program at Delaware Tech Owen's Campus Owens has received ACEN accreditation for eight years.
